Mr. Lester Snow, Director
CalFed Bay/Delta Program
1416 Ninth Street, Suite 1155
Sacramento, CA 95814

Dear Mr. Snow: *Lester*

As you are probably aware, I am concerned with the way state and federal agencies notify the public relative to circulating draft EIRs. On March 16, CalFed made available to the public the various reports and EIRs focusing on the Bay/Delta program.

I respectfully request a list of people and entities that automatically received this information from CalFed. I also request a list of people and entities that CalFed sent an "invitation to receive" these documents.

Furthermore, I would like a list of newspapers that received a press release noticing the public of the availability of this information.

At your earliest convenience, please forward the above information to my Capitol office.

Sincerely,

A handwritten signature in dark ink, appearing to read "K. Maurice Johannessen".
